Dear brethren,

To start with I apologize that you didn't get a letter last month. I wrote the March Letter early but forgot to send it on time to be printed and mailed from the US. For this reason you have both March and April's letter now.

Zachary Daniel has been with us now for almost a month. He has adjusted well. He is definitely of a different character than Christopher. We call him little spunk!

Karnobat- As I mentioned in the March letter there has been some new people coming but one of those families have stopped. Pray that I'll soon have the opportunity to encourage them to get in with both feet. As you should know we have been praying and saving funds for a place of our own. Last Saturday, March 31st a couple of the men and myself went to see a piece of property with an old house on it. It has a lot of potential and some of the materials of the house can be reused. Another positive thing is that it already has three existing walls on the perimeter of the property and only on one side will we need to build a wall. To have a wall or at least a fence around the property line is very common everywhere in Bulgaria. The owner wants \$12,000. I believe this place could be a very good investment in the ministry here. We have committed to buying this place and if indeed it is the Lord's will we pray we'll be able to purchase it for no more than \$10,000. Please pray for us about this. We have the money, Praise the Lord already in a special Bulgarian fund for the cost of the property. We thank the Lord also that a new church in NJ, Gospel Light Baptist Church has decided to support us financially. The very day we looked at this place and had prayer about it the pastor of Gospel Light informed me that they would be supporting the work here. What an unexpected blessing and encouragement.

Sowing the Seed- As I write this letter Bro. Maulicci, his boys, two men from our church in Karnobat and myself are canvassing some cities and villages with a portion of God's holy word. Thank you for partnering with us in this good work. God bless you all!
