Potential Bible School/Center

From May 15-23 Bro. Michael Schwitzky, veteran German missionary in Crete, Greece for 32 years has a desire and vision, Proverbs 29:18- Where there is no vision, the people perish: to invest in and develop a Bible school/Training school for Christians and Local Pastors here. Especially for the Roma/Gypsy Bulgarian minority people group. They are less educated usually but are the most open to the Gospel. I was able to both attend and help out in the Bible school the 18th-20th.

Pastor Zarko invited us to their services on Saturday the 23rd and wants us to come back and to have a 2 day meeting. Other Pastors also that attended asked that we visit their churches as well. One in particular, Bro. Sali from Nova Zagora asked that we come that his people can see that we as foreigners adopted two boys from their nationality. He wants his people to consider adoption also.

Canvassing and conversing

The last week of March we went to Purvomi a city 1 ½ hrs from us on the east coast with our friends the Maulucci family and Bro. Eddie, a zealous Armenian/Bulgarian brother that attends N. Maulucci's church in Varna. We canvassed Bible Portions in 29 villages and 1 city totaling over 10,000 books! During the week there were three different families that invited us in their homes to discuss spiritual things. Also the manager at a good and cheap cafeteria treated all 10 of us with desert the last day. We sang a hymn for them after lunch while ladies working there took photos and clapped for us. It was a special and delightful week of sowing God's good Word. The Lord bless you all and do pray for this Potential Bible Center.
