Back in the US! We are so glad that we were able to get back when we did (April 28). Our tickets were cancelled twice so we asked for a refund and bought new tickets through a different airline. We had a very spiritual time with our people the last Sunday evening we were there. In the past three years 14 people have been baptized and others have expressed their desire to follow the Lord in believer's baptism as well. Our separation from them will allow them to prove their commitment to Christ in a very real way. I have asked other good and seasoned brethren to watch over them in our presence, that is if they will be permitted to meet. Otherwise we have 8 men in our little church that will hopefully take turns edifying each other while we are here the States. Most of them are new believers and young still in their faith so they certainly need our prayers.

John/Roman's Bible portion distribution- has come to a screeching halt due to Covid-19 virus. We pray this band will be lifted soon. Last we heard Bulgaria is under emergency lockdown until May 13.

Furlough- The Lord has blessed us with a vehicle that was considerably cheaper than we expected to pay. I still have to go to Florida to pick it up. I'd like to ask you to pray for this all to go smoothly seeing everything has not normalized as of yet and DMV's are still not working. We are currently staying in Shelby, NC in very nice and comfortable prophet's chamber for two weeks. We are under self-quarantine until May 12th. We have scheduled 46 meetings of which 5 so far have been postponed due to Covid-19. The Lord knows, it's frustrating and uncertain times but we must stay focused and let grace have its perfect way, *James 1:4*. Oh brethren- friends and family! I know you all are struggling during this time too, financially and otherwise. However you continue to support us and others that depend upon you as if you are not. God bless you all and His perfect way be done in our lives.

Sincerely in Christ Jesus,
Danny Kessler and Family
