Dear brethren,

In July we gave out over 13,000 books of John/Romans having thus far covered 109 cities and 855 villages!

Deyan and Teodora a couple that the Maulucci's have been witnessing to for some time were in one of the cities that we covered. It was actually someone in their family that received the book.... They said that they are talking over the information they received. We pray for the salvation of the entire family.

I plan to visit a man near us named Stoyan Madjarov that also received a book in July that sent in a response card. Pray for God's will in this man's life and that we would be used of the Lord to minister to his needs.

We sent paper work and application to USCIS for citizenship for Christopher in July as well. I know it was received because the fee has already been charged. But we don't know anything else for now. They say it could be a 8 to 11 month process... we hope that it will not be so long as we plan to be in America April-May next year for a second furlough.

All is well.... Seeing some gradual growth in the work in Karnobat (folks are more faithful and giving more).... Staying busy in the work.... redeeming the time for the days are evil, Ephesians 5:16.... When the Lord opens a door walking through it.

Josh had a good witness to 4 young guys a couple weeks ago when we were out one evening giving out gospel tracts. They were impressed that he had learned their language.

Alyssa is ready to follow the Lord in Believer's Baptism. Pray for our children please that they all would choose the Lord for themselves and follow His blessed lead!

In the Name of Our Lord Jesus Christ,
The Kessler's
