Dear Saints in Christ,

Happy New Year to you all! We are grateful to the Lord for the past year. God has allowed us to stay busy in the work of the gospel this year and hope to see the Lord use us in a greater way in 2018.

A couple weeks ago we had another meeting with our social worker concerning Christopher. She was very pleased with his progress and how he has grown and his happiness and contentment with his new family. With God's intervention may we have an open door to witness to her in the future.

Karnobat- We will Lord willing be canvassing Karnobat in January. We will be praying for the Lord to open the people's heart for the truth. Acen the young 17 year old man in our church has shown definite progress in his walk with the Lord. He is always willing to go with me to pass out the Holy Scriptures. We are praying for more young people like him to be saved in 2018.

Chukarka- Last Wednesday we had more people in service than ever before! We had walked around part of the village and personally invited people to come! I've committed myself to pray for God to help me find some young people in this place that will follow the Lord Jesus! Pray with me too. God bless you all and thank you for faithfulness in the Lord.

For anyone that would be interested in visiting our website please do as it has finally been updated with current information. I apologize that it was not done sooner. The Lord bless you all this new year!
