Praying friends and supporters in the ministry,

Some Highlights- In Bulgarovo we started back with meetings on Wednesday afternoons for Bible Study, praising our Lord in song and prayer. A few people are faithful and we pray the Lord will be honored in all that we do and say and in time that we will see fruit. In 2018 we met a brother in Christ that desires to move here, namely to our village and start a wrestling club with the intention of reaching kids and their parents through this sport. His name is George Sarandi and he's Moldovan but he and his two daughters live in America right now. His wife passed away in 2017. Please pray for this family. We have been praying for some time now for God to send us help and show us how we can better reach these people. This could be the Lord answering our prayers! If they indeed come we will be able to be a help to his daughters in their home schooling and they will be a help in the church ministry.

Karnobat- I rejoice greatly that we had four Baptized in June of 2018, one being our son Josh. In this ministry we have consistently 20 to 30 people. One former Muslim has believed in the Lord Jesus but he has been battling a cancerous tumor. We covet your prayers for him... his name is Dobri. His wife and daughter were at church today 01/06/19. Bro. Acen Manolov's wife Elena just recently gave birth to their second son Samuel (asked of the Lord). She lost a lot of blood but is doing much better now. Bro. Manolov is the eldest son of the former Pastor that I have talked about in previous letters.

We along with the Maulucci family have given out thousands of Bible portions and Gospel tracts in 2018 and plan to continue to sow the good seed this year too our Lord willing.

It is early yet to mention this but I will throw this out there anyway that in 2020 will be planning a furlough. So all of you that we didn't get to in 2016 we certainly hope to in 2020. We hope this year is a great one for you all and the furtherance of the Gospel and saving of souls. Thanks to all that support this work and effort prayerfully and financially.

Yours in Christ Jesus,
Bro. Danny Kessler and Family
