January 2020

Dear friends in Christ Jesus,

HAPPY NEW YEAR!

I'm grateful to our Lord that he watched over us in 2019. No one was seriously ill or had to go to the hospital but myself once and that was just a brief spell of dehydration.

We had several visitors from the States, including a 1972 Gold medalist winner in freestyle wrestling. Ben Peterson is this dear brother's name. During the year we crossed the broader of Bulgaria into Romania and onto Moldova. In Moldova we had some good fellowship with some of the brethren there and I had the opportunity to preach. I preached on how Philip the evangelist was a Model Missionary, *Acts 6:1-7*. While traveling through Romania we were stopped by the Police. One of them spoke really good English. I told him our reason for being in Bulgaria and gave him our Home church tract in America that I had in the van. He took it with interest. I hope he read the tract, checked out the churches website, and has or will give his life to Christ someday. He was a big, friendly fellow.

We also went to Turkey for a short family vacation. While there we saw the ancient city of Ephesus.

We had a second Baptism service this past year with 4 people following the Lord in Baptism. It was a good year spiritually for our little church in Karnobat. One evening we spent the night in an all-night prayer meeting with Bro. Maulucci and some of his church people.

My family had to go through the sorrow of losing my earthly father in November 2019. We are thankful and comforted knowing we will see him again.

These are just a few of the main things that happened this year not to mention the thousands of gospel tracts and Bible portions distributed in many cities and villages of Bulgaria. I want to thank you again for being faithful in the Lord's service as you hold the ropes for us and other missionary families across the globe. May God use us in 2020 more than in 2019!

And let us not be weary in well doing: for in due season we shall reap, if we faint not, *Galatians 6:9*.

God bless you brothers and sisters in Christ.
