July 2018

Dear Brothers and Sisters in Christ,

Bulgarovo- Grandma Yovka, 85 yrs old lady was the only one here in Bulgarovo that we could count on every Sunday evening. On account of her we began meeting here again on Wednesdays. Another lady has been coming too... her name is Nikolina. Pray about these meetings please. In time perhaps the Lord will do something here unexpected! He is able!

Karnobat- We had our first baptismal service in 6 years on June 24! Four followed the Lord in this step of obedience and our son Joshua was one of them! All four of them have been faithful and are growing in their walk with Christ the Lord! They have been going with me and excited about it to canvass villages in our area with a portion of God's word! I had never baptized anyone until then. I'm grateful I was able to baptize four dear souls!

Bad start good end- We were going back home from passing out the books of John/Romans, leaving Karnobat and there was this young guy wanting to hitch a ride... big back pack... thumb up... I had my kids with me and we had plans that evening.... and the evening was pressing already upon us. I didn't want to pick this guy up especially then. So I passed him up and looked in my rear view mirror and he gave me the international sign language! I hit my brakes (no one was behind at the time) and backed up towards him. I spoke to him in English, he understood and we began to have words. So after a short but heated conversation I got out and we walked to the other side of the van. I was still fuming and I gave him a push and told him "don't ever give me the finger again" and told him to get in. To shorten the story we ended up apologizing one to another and I got to witness to him. He listened, took some tracts and my number and as he left we shook hands and wished one another well. His name is Ivan. Hope to see him again and that he gives his life to Christ.

God bless you all and thank you for holding the ropes.
