

DANNY MISSY JOSH KENSEY ALYSSA KAITLIN CHRIS

June 2018

Dear friends in Christ,

Exciting news- It may not sound like a big deal to some but by the end of May we were privileged to receive our permanent residence ID cards! This was a diffident hurdle cleared in some ways. We know longer need to apply every year to renew our residence permission to live here. Jesus said in John 14:16, 18- He and The Holy Ghost would take up residence or abide in the heart and soul of the believer never to leave again! And now we have right to live here permanently never to leave for good too. May the Lord use our family to do great things here in Bulgaria.

Karnobat- The church is going well here and it has been a blessing since we started meeting on Sunday evenings as well as Sunday mornings and Thursdays. Some of the regulars returned from working in France so the building should be even fuller now. I hope to have a Believer's Baptism service this month. We found a sizeable pond near the city that will be more convenient for more people to attend from the church. I'm hoping for 4 to get dipped, taking on the image of dying to self at least.... If there's more that would be great. Pray for this please and their continued growth. Also that the Lord would add to our little congregation. There is a young man named Acen that's come twice and once he brought his cousin Star. We are praying for them to give their lives to Christ and follow the Lord in Baptism as well. God bless you brethren and as always thank you for all you do for us on the home front.
