Karnobat- Recently we did some remodeling to our church building. You can visit the website to see some pictures of the work. We've had a drop in attendance with some other discouraging things that have happened this month. One young lady that was baptized back in June ran away from home and married a professing Muslim. I and some others tried to counsel her, but to no avail. May the Lord have his way in her life. A man that has been coming recently got saved out of Islam. He is sick and going through treatments now. So he's unable to be at services. Another faithful lady has been forbidden by her husband to come to our church. There are a few that have left to work in another country since work is hard to find here. We are facing some challenging things and need your prayers for the ministry in Karnobat. We are excited though as we prepare for our Pastor to visit from our home church in SC. next month. Please pray for the special meetings we will have during his visit.

Bible Distribution Ministry- This past week our son, Josh and I were in the Capitol city, Sofia, giving out Bible Portions. Couriers for Christ was also here with a group from the States working on canvassing the entire city. To this day a good part of the city has been covered and 179,800 Bible portions have been given out. A special meeting was held during the campaign with Couriers for Christ. A man from our area attended the service and gave his contact information. I was able to talk to him this past Sunday. His name is Dimcho. Hopefully soon we can meet in person and he will come to services. Brethren, thank you as always for partnering with us in the work. God bless you all!
