Dear praying Friends,

Ministry in Bulgarovo- For a while now we have been meeting in our home for Bible reading/study, prayer and praising the Lord through song on Wednesday afternoons. Usually three people come that are elderly. I know that in order to expand the work here we must eventually get into some public place. Last week while taking Chris to the Kindergarten (he will be able to learn Bulgarian much better from the locals) I noticed a little place for rent. We will post a picture on the website for you to see it. It's really small; but is right in the center of the village. I haven't called the owners yet to inquire about it because I wanted to just pray about this possible opportunity for some time. With that being said please pray with us about this. People here are friendly to us but still think we are part of some strange American religious cult. In time I know the Lord will work on the hearts and minds of the people. This particular town was known for its strong stand on communism/atheism in the past; but I know God's power and influence of His Word can break up the stony ground.

Karnobat- I ask you to pray for a 15 year old boy named Subean. Recently he has been faithful to services and has opened up to us. He told me he really looks forward to being at church and has expressed the desire to be baptized. Joshua, our son, is trying to be a friend and influence to him as well. I'm just giving him some time to seek the Lord and be confident in his decision to follow Christ before I agree to baptize him.

Getting out the Word- Our family along with the Maulucci family continue to labor together to canvass the entire country with God's Word. It's a huge blessing to have their fellowship on a continual basis. Within the last two weeks we were blessed to give out over 3500 books in 14 different small cities and villages!

God bless you all! And let us not be weary in well doing: for in due season we shall reap, if we faint not, Galatians 6:9.
