We thank the Lord for Pastor David Garlick and Calvary Baptist church of Maclenny, FL. for allowing us to stay in their mission house near Jacksonville, FL while we were going to appointments for Alyssa. They were so good to us and an answer to our prayers. We moved from this place on Feb. 14 to Deland, FL where we have family and a supporting church, The Bible Baptist Church.

As you know from the letter our pastor sent out in February we have extended our stay here in the US to give ourselves time to recovery before returning to Bulgaria. Alyssa has just completed her treatments. Her doctor wants to monitor her for a couple months to make sure she is stable. In addition she and I both have started seeing a specialist in Jacksonville, FL. He has put us on a eight week plan which includes dieting, supplement taking and various tests. Some of those tests have shown that we have some health issues that we are trying to address. Alyssa has completed five weeks already and I am on my fourth week. As a family we are getting stronger and getting the rest and godly fellowship that we need.

We traveled to our home church on March 17 where we are currently. We have had the opportunity to help out with some work at the church and participating with the ministries here. It has been a blessing for us to be here fellow shipping with our Pastor and his family as well as other families. Our plan is to go back to Deland, FL on April 7th. Once there we, Lord willing will join in with them and partake in their various ministries. In May we plan to go back to Beaufort SC for a couple weeks to be with our church again. After that we Lord willing will return to Deland and get ready to leave for Bulgaria. Our plan and prayer is that we will be prepared and ready to leave again for our mission field in June. We ask you to continue to intercede in prayer on our behalf regarding these things.

Lastly- Please know we are so grateful to God for you and everything you have done an continue to do. We do not have any medical bills at the moment that are due. They have either been written off or paid in full, praise the Lord! The Church in Bulgaria longs for our return but is managing as best as they can. They also want us to stay here as long as is needed. God bless you all and thank you as always for your prayers and support! My US cell number again is 904-889-3524.
