THE KESSLER FAMILY

DANNY MISSY ALYSSA KAITLIN CHRIS ZAC

May/June 2025

Dear brothers and sisters in Christ,

Back in Bulgaria- I apologize for not writing before now; but I wanted to wait until we arrived back to give this report. We arrived back in Bulgaria on June 12th. Two days later three families from our church in Karnobat came to visit us. It was so good to see them again and to rejoice in God's goodness in our lives. Our neighbors also rejoice that we are back, especially Panka Staikova. We live next door to her. She is a very sweet lady; but we are still praying for her salvation. She lost her husband, Peter, on Jan. 24, from pneumonia. She grieves as now she lives alone. Please pray for her. Sunday, June 15th, was our first meeting here since November 17, 2024, almost exactly 7 months ago. It was so good to be back and for them to witness God's grace to Alyssa and our entire family. The Lord has been so good and gracious to us. Alyssa is still doing well and is a testimony of the Lord's grace and healing hand. *James 5: 10-11*, not that we compare ourselves with Job and his family; but God nevertheless is very pitiful and of tender mercy to all his children. We all suffer in some way or another. God uses those sufferings for our good and His glory. He didn't save us from the trial, but helped us through the trial. Glory to his name! One day the sufferings will all be over!

We were able to see the doctors before leaving and got results back from blood work for Alyssa and I. The levels are looking better and things are stable. We got the necessary supplements to help keep things balanced. We are thankful Alyssa is healthy; and we are all doing well. Thank you all for your prayers for our health.

While in America we were able to do most everything we hoped to do. We didn't have any vehicle incidents while driving over 13,000 miles. We were able to visit some supporting churches as well as spend time with a few new churches. So many of you went above and beyond to be a blessing and encouragement to us. This letter would be too long if I tried to name you all. We want to thank each of you for your words of encouragement and special offerings these past 7 months. Thank you for allowing the Lord to use you to help us. We covet your prayers not only for our health; but of course for the work of the Lord here in this land.

Please notice the change of our contact information. We have a Google Voice number now: 904-658-0252. Anyone may text or call this number from the States to reach us. May God be glorified!

Yours in Christ,
Bro. Danny Kessler and Family
