THE KESSLER FAMILY

DANNY MISSY ALYSSA KAITLIN CHRIS ZAC

May/June 2026

Hello again dear family and friends in Christ Jesus,

While in America- We arrived May 6 and were able to be at a supporting church, The Bible Baptist Church, of Deland, FL on Thursday, May 7. We gave a brief update on the ministry here. Praise the Lord for the answer prayer to find a car for Kaitlin and that she obtained her driver's license a few days later. On May 13 we headed to Pensacola, FL to spend some time with our oldest daughter, Kensey, who is attending PCC. We gathered with some family and close friends that weekend for Kaitlin's graduation. She received her diploma on May 16. We also met a Bulgarian family at the graduation ceremony that only lives 30 minutes away from us! The father is a pastor and I hope to get with him. While in West Florida we were able to revisit and update two more supporting churches. We are grateful for Trinity Baptist of Milton, FL and Gulf Coast Baptist of Ft. Walton Beach, FL. For memorial day weekend we were able to be at our home church, Calvary Baptist of Beaufort, SC. It was a delight to be with them all again, to minister in song, update, and preach on Sunday evening, May 24. We left there and headed to Blacksburg, SC. where Missy's parents now live. While there we were able to revisit, update, and preach to one more supporting church. We are grateful for East Lincoln Missionary Baptist Church in Iron Station, NC. May the Lord bless these five churches for their love, hospitality, and special love offerings. Kaitlin is currently living with her grandparents. She is trying to get a summer job for a couple months; and has decided to study at PCC, where her older sister is attending college. We believe this could be a good thing for her. We ask you to pray with us for Kaitlin about these things.

Back in Bulgaria- We arrived back on June 4 with no issues during travel for which we are grateful. Our first Sunday was June 7 after being away for a month. We were all thankful and happy to be together again with our church in Karnobat. I want to thank the Lord for our local Bulgarian brothers (with the exception of 1 American missionary that filled in) that gave the Word in our absence. They were certainly used of the Lord to feed his people!

Our neighbors in Bulgarovo, where we live, welcomed us back home too. Especially Ms. Penka, our next door neighbor (pray for her salvation) and Baba (grandma) Yovka, who is 93 now and a godly christian woman. Also it was great to see Borislav Lasov again. He's still struggling hard with finding a good prosthetic leg and needs eye surgery. However, he has not wavered in his desire to be at church and make his faith known. He has come with us to church once since our return; but because of much pain he hasn't come more than that. Please help us pray for him.

The boys are almost done with school. Alyssa is back to work; and enjoying being back with her fellow employees. We are looking forward to seeing more come to faith and practical living with Jesus Christ.

May the Lord bless you all. We thank you for taking care of us financially and holding us up in prayer!

In Christ Jesus- Bro. Danny and Family
